7.30-8.30pm Study & Discussion

The study will be using **A Friendly Guide to Luke's Gospel**, by Stuart Moran. The Gospel of Luke is an invitation to embark on a journey full of surprises. The author of Luke was an accomplished and sophisticated writer, with a keen sense of literary structure as well as a profound understanding of the universal nature of God's love. For the reader who has perhaps become used to hearing gospels in Sunday fragments, the study will encourage us to read Luke's Gospel as a whole book, seeing it as a story crafted by a master hand.
